# TEX-ASS

They grow  
things big in  
Texas — like  
this beauty's  
sensuous mouth

and her  
boyfriend's big  
prick. They're  
just about right  
for each other!

**She pumps her  
overheating pussy  
down over his  
engorged flesh  
with a  
determination  
that has him  
gasping and  
snorting!**

**This little  
filly bucks  
like a  
bronco  
when her  
lover's prick  
rampages  
into her  
pussy with  
swift, sure  
strokes!**

**His movements get frantic, more  
powerful. He's going to come, she's sure  
of it. Well, let him come. She's ready for it!**

# HOT AND RAUNCHY

She's one of the  
brighter new stars on  
the sexual horizon. Put  
her in the same room

with a horny stud like  
Marc Wallice — and stand  
back!

# SUSAN HART

**Susan's always hot and raunchy, but  
then so is Marc. They make a good pair!**

**Talk about good fucking? Here's an example of it!**

**She's got a body that  
won't quit — and Marc  
doesn't want it to!**

**When she's like this, she  
can go on for hours. Can  
Marc's cock survive the  
ordeal?**

**Susan twists and squirms, burying Marc's  
prick deep in her pussy!**

**She comes big and strong.**

**A wonderful orgasm —  
and now it's his turn!**

**It's an inspiring  
sight, which gives  
Susan an idea:  
"Let's do it again!"**

**And there he goes,  
his quaking cock  
spurting streams  
of milky manjuice!**

# LINDA'S LOVE LIFE

How's Linda's love life? Well, if Linda is being played by superstar Lisa de Leeuw, as it is here, her love life is terrific. With her big tits and sucking mouth she's already got stud Craig Roberts ready to shoot his load!

**Lisa is all woman,  
and she'll go out  
of her way to  
prove it to any  
man who's man  
enough to suck  
and fuck her!**

**Craig is determined to kiss every freckle  
on her voluptuous body!  
This natural redhead is determined to  
keep that cock of his pumping into her  
hot, wet pussy!**

**In this scenario, Lisa plays Linda, a nymphomaniac  
who can never get enough cock!**

**She doesn't have to do much acting –  
just a lot of sucking and fucking!**

**She moans and groans. The bed shakes under them as one violent orgasm after another shakes her fabulous body. And now it's Craig's turn!**

# INSIDE MOVES

This lovely lady's most impressive inside move is into her boyfriend's crotch, where she opens her beautiful mouth to gobble up his stiff prick!

Once she gets her lips wrapped around a guy's meat, she doesn't want to stop eating!

The stud knows some inside moves of his own!

He likes to move his cock inside her watering pussy!

**She's an accomplished cocksucker, and one of her pleasures  
is watching a guy shoot his load over her body.**

**Of course he will. Looks like he's been saving that jism in his balls, ready for some inside moves whose time has come — and come — and come!**
